### PARKING

Greenway Park has a small carpark; we will have additional parking areas available on the grass surrounding Greenway Park 2. When parking on the grassy area we ask that you please **DO NOT** park on or impede any footpaths and be mindful of any areas we have marked out with tape. These areas will need to be kept free of parked cars incase an ambulance needs to access the playing area.

In order for the carpark to remain free flowing you are asked to please listen to any parking officials and please only park in the designated parking areas. This is for the safety of all players/parents at Greenway.

Carnes Hill Marketplace is just across Cowpasture Road and has ample parking spaces. It is approx. a 5-minute walk to Greenway Park

Please refer to the maps on pages 2 & 3 for parking areas available

## FACILITIES & SEATING

Greenway Park does not have any permanent seating; we encourage spectators to bring chairs and/or rugs for seating. Spectators are asked to sit outside the fenced fields.

At the top of the hill between the two fields, the South West Tigers will be operating a full canteen & BBQ see below for a range of items available for purchase. EFTPOS is also available (no cash out facilities).

Notita Café Prestons will be operating a coffee van near the canteen area.

Toilets are located outside the fenced area.
